"County base salary" is defined as the compensation provided by Salary Resolution for each specific class and shall not include other pay allowances.
2. Eligible employees authorized to be compensated pursuant to item (c) above shall be responsible for timely submission of documents certifying their rate of military pay for each County pay period.
3. In circumstances where the employee's military pay exceeds the regular County base salary, the employee will receive no additional pay allowances.
4. During the period of active military duty, eligible employees shall continue to receive health contributions customarily paid on their behalf and the employee shall continue to be responsible for employee-paid portions of health benefits.

7. After the initial thirty (30) calendar days of active military duty, eligible employees who choose to continue their military leave pursuant to either item (a) or item (c) above shall be eligible to receive retirement contributions. Pursuant to CalPERS law the employee shall receive service credit for time spent on active military duty upon his/her return to County employment and upon completing and submitting the required documentation to CalPERS.
