Re: Response to Comments of the Technical Review Committee
Gunner Ranch West Enhanced Groundwater Condition (the “Condition”)

Dear Ladies and Gentlemen:

I would like to inform you that according to Section 4 of the Gunner Ranch West Enhanced Groundwater Condition, I have independently reviewed the Groundwater Plan prepared by

AECOM, dated November 2018 submitted on behalf of the O.D.S.

I also reviewed the following documents:

- Comments provided by the Technical Review Committee Members.
- AECOM's Responses to the comments of the Technical Review Committee Members, dated December 3, 2018 (the "Responses to Comments").
- Chowchilla Water District written requested dated March 14, 2019 requesting to be removed from the Technical Review Committee.

I hereby adopt the Responses to Comments as my own detailed responses to the comments of the Technical Review Committee Members that I am to provide pursuant to Section 4 of the Condition. I would also like to inform you that this document is tentatively scheduled for Board consideration on May 7th.

Sincerely,

Ahmad Alkhayat, PE
Public Works Director
