STEPHANIE MANOR SENTENCED TO STATE PRISON

On November 27, 2019, Stephanie Manor was sentenced to 4 years in state prison for stealing property from CVS and assaulting a store clerk. The theft and assault occurred in the City of Madera on June 18, 2019. The defendant also pled guilty to a battery on another store clerk from Fallas Paredes, also in Madera, that occurred on June 19, 2019.

One reason that the defendant received state prison in this matter was her prior criminal history. She has two prior serious or violent felony convictions, known commonly as prior "strike" convictions.

The Madera County District Attorney's Office would like to thank the Madera Police Department, who investigated both cases. The District Attorney's Office would also like to thank the victims of both crimes, who were cooperative throughout the investigation and the court proceedings.
