Madera, CA 93637

RE: Veteran Services Office Closure

Mr. McCandless,

As a precautionary measure and in an effort to be responsible to our employees and the public, we have closed our front counter to the public. The closure is currently planned through April 17, 2020, but may be extended based upon circumstances beyond our control.

We will continue to serve veterans and their beneficiaries over the phone at (559)675-7766 and via email, veterans@maderacounty.com. Applications can now be completed over the phone. Questions can be answered over the phone or via email.

A drop box has been placed in the Lobby of the Government Center, located at 200 W. Fourth Street, Madera, CA where completed applications and documents can be deposited. We ask that all contact information be provided on completed applications and documents when being deposited in the event of questions or missing information.

We will take the necessary steps to continue to operate and serve our veterans and their beneficiaries as best we can.

Thank you,

Jessica Leon
Administrative Analyst
