**Background**

Effective 1-1-2017 counties must adhere to **SB 1232** (Senate Bill) which informs CWDs (County Welfare Departments) of new requirements pertaining to the CW and CF programs regarding the use of The Work Number®. The Work Number® provides instant employment verification data, such as employee earnings or hours worked by using customer’s Social Security Number. CWDs must obtain written authorization from their customer prior to requesting income information from The Work Number®. If an adverse action results to a case from an income report pulled from The Work Number® the county must properly notify customer.

**Policy**

Eligibility Staff shall use The Work Number® for: IEVS processing, at application/renewal, fraud detection, or when information received from the customer is insufficient, and/or questionable. Prior to using The Work Number® EWs (Eligibility Workers) must obtain written authorization from the customer. If an adverse case action is taken customer must be properly notified.

**Written Authorization**

Customer must sign a **SAWS 2 PLUS(4-2015)/SAWS 2 PLUS Sp.(4-2015)**, **CF 285(11-2016)/CF 285 Sp(11-2016)**, or **CF 37(11-2016)/CF 37 Sp.(11-2016)** with the Privacy Act and Disclosure statement below:

“The County will check your answers using information in state and federal electronic databases and databases from the Internal Revenue Service (IRS), Social Security Administration, the Department of Homeland Security, and/or a consumer reporting agency.”

Using forms with revision dates prior to what is on the attached forms means customer may not have authorized the CWD to use The Work Number®. If needed, staff can use the **MAD 229 TALX ROI/MAD 229 Sp. - TALX ROI** as a customer’s release for the CWD to use The Work Number®. A form with written authorization
must be collected at application and/or at customer’s yearly renewal. An E-
Application completed/signed electronically by customer authorizes the CWD to
use The Work Number®.

**Adverse Action**

**SB 1232** defines “adverse actions” as a determination of ineligibility for CW and/or
CF benefits, or a reduction to those benefits; e.g. denial of an application,
discontinuance of a case, a reduction of benefits, or the creation of an OP (over-
payment)/OI (over-issuance). **FCRA - Section 603(K)** defines “adverse actions” as all
business, credit, and employment actions that affect customer negatively.

**Noticing Customer**

When an adverse action is taken in a CW and/or CF case based on information
received from The Work Number®, customers must be noticed through a **GEN
1390/GEN 1390 Sp.**, which contains the following language/information; adhering
to **SB 1232**.
