Welcome to the Madera County Medi-Cal Mental Health Plan (MHP) Drug Medi-Cal Organized Delivery System (DMC-ODS) integrated Provider Directory. Madera County Department of Behavioral Health administers specialty mental health services to children, youth, transitional age youth (TAY), adults and older adults who live in Madera County. This Provider Directory provides information on all mental health treatment providers that are part of the County's network of care. Some of the services and providers listed require authorization or referral from the County before the service can be provided. The Department of Behavioral Health Services Access Program can help you determine what provider may be best for you or a family member.

Services may be delivered by an individual provider, or a team of providers, and may be an unlicensed provider who is working under the direction of a licensed practitioner, operating within their scope of practice. Only licensed, waived, or registered mental health providers and licensed substance use disorder services providers are listed on the Plan's Provider Directory.

This directory is available online: <https://www.maderacounty.com/government/behavioral-health-services/resources/services-provider-and-network-provider-lists>. Paper copies of this directory are available, free of charge, within 5 business days from request. Directory is updated monthly no later than 30 calendar days after the Plan receives updated provider information.

Please note: DMC-ODS county members have the right to receive covered services from any provider who is enrolled and certified by the DMC-ODS program, even if that provider is not listed in this directory.

Bienvenido al directorio de proveedores del Sistema de Entrega Organizada de Medicamentos de Medi-Cal (DMC-ODS) integrado del Plan de Salud Mental (MHP) de Medi-Cal del Condado de Madera. El Departamento de Salud Mental del Condado de Madera administra servicios especializados de salud mental para niños, jóvenes, menores en edad de transición, adultos y adultos mayores que viven en el Condado de Madera. Este Directorio de Proveedores proporciona información sobre todos los proveedores de salud mental dentro de la red de servicio del Condado. Algunos de los servicios y proveedores enumerados requieren autorización o referencia del Condado antes de que los servicios sean proporcionados. El Departamento de Salud Mental le puede ayudar a determinar cual proveedor podría ser mejor para usted o su miembro de familia.

Los servicios pueden ser provistos por un proveedor individual, o por un equipo de proveedores, y puede ser un proveedor sin licencia que está trabajando bajo la dirección de un profesional licenciado, que opera dentro del alcance de su práctica. En el Directorio de proveedores del Plan solo aparecen proveedores de salud mental autorizados, exentos o registrados y proveedores de servicios para trastornos por uso de sustancias autorizados.

Este directorio está disponible en línea: <https://www.maderacounty.com/government/behavioral-health-services/resources/services-provider-and-network-provider-lists>.
